

Rally Australia is the final round of the FIA World Rally Championship. The event is also the final round of the CAMS Australian Rally Championship. The rally will include categories for modern, invitational and classic cars. The organising team has taken into consideration feedback from Australian competitors in developing this program.

WRC Event

Program: 3 days (FRI – SUN) Full pace notes

Stages: 24 special stages
 (Stages 316km / total 1018km)
 2 runs DNSW SSS FRI & SAT

Entry Requirements: You must have an FIA homologated car or meet the CAMS/MSNZ requirements, and hold an International Competition Licence.

1. FIA Homologated Cars.

Is a vehicle that fully meets the specifications as set out in the FIA International Sporting Code and Appendix J to the Code covering ALL safety equipment.

Entry Fee: \$2500 + GST
 (\$1000 rebate if eligible for the ARC)

2. ASN (CAMS/MSNZ) Cars.

Is a vehicle that is not FIA Homologated, but allowed to run in Australian/NZ rallies under CAMS/MSNZ regulations. These vehicles must **FULLY** meet the safety specifications as set out in the 2018 FIA International Sporting Code, Appendix J, Article 253.
