Use of Mobile Phone and Hand-Held Devices in Car

All competitors are strongly reminded that according to traffic laws it is illegal to use hand-held mobile devices while driving. This will be monitored during the rally and all infringements will be reported to the Stewards.

Service Park to Rally Show/Ceremonial Start and Return

The route chart in CoC Communication 1 should be corrected. At Box 9, the correct Total distance is 6.55km and the correct Partial distance is 0.56km. All following Total distances to be + 0.45km.

After the cars depart the Start ramp, crews may pass the car over to team personnel to return the car to the Service Park. Crews should drive the car away from the start ramp and the fan zone, then only swap drivers along Jordan Esplanade. (Jordan Esplanade is the road running between the Rally Show area and the DNSW SSS start area)
