<b>Special stage:</b>	<b>21 (Wedding Bells I)</b>		
<b>Weather:</b>	<b>Clear, 21degC</b>		
<b>Road conditions:</b>	<b>Gravel, dry and firm sections.</b>		

---

### **Car 11. CRAIG BREEN/SCOTT MARTIN**

"I don't know, something inside on the grass. I wasn't offline and something there hidden and I found it. I don't know what I have to do..."

### **Car 3. TEEMU SUNINEN/MIKKO MARKKULA**

"On this stage the conditions were easier – and grip was consistent. For me it was a good run. There were some sections where I could be faster."

### **Car 5. THIERRY NEUVILLE/NICOLAS GILSOUL**

"I have nothing to lose so I don't care so much. I am trying to keep it on the road. It is tricky when the conditions are like this but we are trying to have fun."

### **Car 2. ELFYN EVANS/DANIEL BARRITT**

"We are just concentrating on doing a good clean job."

### **Car 1. SEBASTIEN OGIER/JULIEN INGRASSIA**

"At the moment I don't need points – just finish the rally. It has been hard to survive anyway."

### **Car 9. ESAPEKKA LAPPI/JANNE FERM**

"This stage I was enjoying. You can see the conditions are dry compared to the first two."

### **Car 10. MADS OSTBERG/TORSTEIN ERIKSEN**

"On the slippery we changed the car to suit and it is really sensitive, so makes a big difference now it is dry again the car is difficult to drive with this setup."

### **Car 6. HAYDEN PADDON/SEBASTIAN MARSHALL**

"On speed alone we can't quite get the Toyotas' - just got to keep the pressure on. We are going at a no-risk pace at the moment. A podium would mean a lot – at a minimum we want to protect that. In these sorts of conditions anything can happen."

### **Car 7. JARI-MATTI LATVALA/MIKKA ANTTILA**

"There was one jump where we went sideways and lost a bit of time. We are in a situation where we have to look what Paddon is doing all the time."

### **Car 8. OTT TANAK/MARTIN JARVEOJA**

"We need to keep Paddon behind us."
