Car 1. SEBASTIEN OGIER/JULIEN INGRASSIA

“It was the worst – we knew it was going to be. Like always, we will be cleaning these roads today.”

Car 5. THIERRY NEUVILLE/NICOLAS GILSOUL

“I tried to do a good stage, but got huge kick on big bump so took it a bit more steady after that.”

Car 8. OTT TANAK/MARTIN JARVEOJA

Flat rear left “It was a hard bump that threw us off the road and we got puncture.”

Car 9. ESAPEKKA/ LAPPI/JANNE FERM

“It’s been a nice morning – I’ve been enjoying it. The man-made bumps are really nasty – but it’s the same for everyone.”

Car 11. CRAIG BREEN/SCOTT MARTIN

“Not great – I have a problem with the brakes – it was really soft through the stage so was a bit tricky. Had a couple issues with the jumps but all okay.”

Car 6. HAYDEN PADDON/SEBASTIAN MARSHALL

“Definitely coming back to me. The first half of the stage went really well. There were about 100 kiwis at the start so tightened the belts a bit more and decided to get in to it. Struggled in the last 5-6km, definitely going in the right direction though.”

Car 3. TEEMU SUNINEN/MIKKO MARKKULA

“It was quite challenging – and for my first time here. I was too careful on those bumps – but not too bad.”

Car 10. MADS OSTBERG/TORSTEIN ERIKSEN

“It was very enjoyable - what can I say. We had a very good rhythm. While I’ve never done this stage before I enjoyed it and am very happy with the car. It’s been a very good morning for us.”
