

STAGE FLASH

Date:	16 November 2018	Flash N°:	1
Day:	1	Distance:	26.68 km
Special stage:	6 (Sherwood II)		
Weather:	Clear skies, 23degC		
Road conditions:	Dry with dusty sections		

Car 1. SEBASTIEN OGIER/JULIEN INGRASSIA

"I was on the limit – that was some good news Neuville has dropped time."

Car 5. THIERRY NEUVILLE/NICOLAS GILSOUL

Left rear puncture: "On the landing of a jump the tyre came off the rim."

Car 8. OTT TANAK/MARTIN JARVEOJA

"The rear wheel was disturbing me – the car is moving about. I need to try but the mistakes I've made are making it harder for the car."

Car 9. ESAPEKKA/ LAPPI/JANNE FERM

"I need to save the car. My front end is quite damaged and things are bent. It is nice the car is running well – and we've done very well today and have to be satisfied. It is part of the rally and have to face our share of issues."

Car 7. JARI-MATTI LATVALA/MIKKA ANTTILA

"Overall a good day. This stage was more difficult than this morning. I felt the hard tyres weren't working as well."

Car 2. ELFYN EVANS/DANIEL BARRITT

"We are all competitors at the end of the day, we have to respect the decision of the team. At the end of the day we are employed to do a job."

Car 11. CRAIG BREEN/SCOTT MARTIN

"It was a nice stage – we had a clean run. Tried to go like the clappers when I could."

Car 6. HAYDEN PADDON/SEBASTIAN MARSHALL

"We are quite lucky. Unfortunately we put a tyre off the rim on the last stage and got a slow puncture and the spare tyre we had was quite a worn soft and made this stage quite difficult with the car difficult to handle in the left-hand corners. So happy to minimise the time loss."

Car 3. TEEMU SUNINEN/MIKKO MARKKULA

"I am part of the game and following the rules. Our pace has been good and it was easier to drive the second loop. In the second last stage we were second so that was good."

Car 10. MADS OSTBERG/TORSTEIN ERIKSEN

"It has been really good today. It was more challenging than I thought with the hard tyres this afternoon. Overall I had the same car on all stages so I could push as hard as I wanted but I felt I had to hold back as I was lacking grip."
